

POWER SOAK INTRO VS. MANUAL 3-BAY SINK

Power Soak — a continuous motion pot, pan and sheet pan washing system that delivers a consistent clean, improved sanitation, and a more efficient workforce — replaces standard 3-compartment sinks.

Visit www.unifiedbrands.net/products/power-soak to view our system Configurator or a Labor ROI Calculator.

Replace Standard 3-Bay Sinks!

Is your pot & pan area a pain point in your operation? Tired of manning the manual 3 Bay Sink 100% of the time? Is it hard to find & keep pot washers?

The entry level, Power Soak Intro agitating sink is your affordable solution.

Easy to operate — anyone can use it

Patented agitating wash action dramatically reduces any hand scrubbing of pots and pans

Unlike a manual 3 Bay Sink, it pays for itself
